

# What do you like best about Dundas, and why?

## WHAT WE HEARD\*

### Practical, diverse retail

You like the practicality and diversity of shopping options along the corridor, and agree that both big box and mom-and-pop businesses are an asset.

"...big boxes... are ugly but do their job well."

### Landmark features

While they may be limited in quantity, you like the unique features that exist on Dundas. The mix of landscapes and uses give Dundas a nice touch of humanity, and speak to the corridor's potential.

"Twin Pines! I dread the day it gets replaced with rows of cookie-cutter apartments and townhouses."

### Transit route options

You like current bus service along the corridor, but agree that linkages between routes could be more seamlessly integrated.

"There are numerous bus route options along Dundas that get you to the Kipling station in the East to Oakville in the West."

## KEY THEMES

- Diversity
- Built Form
- Traffic Operations
- Connectivity
- Transit
- Land Use
- Identity
